Section A, of Marine Lot No. 2, having a frontage on the Quay, of 60 feet, and upon Lee Hoe Street of 200 feet. Annual Crown Rent, \$212 together with the substantial and well erected buildings upon the same.

The outbuildings consist of two Granite Godowns of about 5,000 tons capacity, Servants' Quarters, Stables, Coachhouse, &c., all having two floors and occupying the remainder of the area at back. The whole has just been put into thorough repair, and offers to intending purchasers a fine opportunity of obtaining a really first class property. This is moreover the nearest to the Praya to the site of the new City which will probably in no small degree improve the value of premises in this locality.
